Bluegill				

Conroe- At war with Exotics

- 2006 Grass Carp (White Amur) stocked to control hydrilla after home owner complaints
- 2006-2008 124,030 grass carp stocked
- Native vegetation has decreased
- Giant Salvinia
- Water Hyacinth

Conservation History

- 2006 Seven Coves Bass Club received a \$68,000 grant from National Fish and Wildlife Association to construct an aquatic plant nursery at the San Jacinto River Authority site to raise and eventually transplant native aquatic plants into Lake Conroe
- 2011 SCBC became one of the first chapters of Friends of Reservoirs

Nursery Site

Aquatic Planting

Aquatic Plants Taking Root

Carp Removal

2011- SCBC, along with TPWD, SJRA sactioned a 1 Day Carp Tournament
- Over 5,000 lbs of grass carp were removed from Lake Conroe to help balance the population and allow for native vegetation to have a chance.

Vegetation- Where do we stand?

Table 7. Survey of aquatic vegetation, Lake Conroe, Texas, 2014-2017. Surface area (acres) is listed with percent of total reservoir surface area in parentheses.

Vegetation	2014	2015	2016	2017
Native submersed	0	0	0	< 1
Native floating-leaved	405 (2%)	367 (2%)	68 (<1%)	32 (<1%)
Native emergent	803 (4%)	848 (4%)	265 (1%)	172 (<1%)
Non-native				
Alligator Weed (Tier III)	25 (<1%)	196 (1%)	5 (<1%)	3 (<1%)
Elephant ear (Tier III)	< 1 (<1%)	< 1 (<1%)	1 (<1%)	< 1 (<1%)
Giant salvinia (Tier II)*	78 (<1%)	350 (2%)	58 (<1%)	154 (<1%)
Hydrilla (Tier I)*	< 1 (<1%)	< 1 (<1%)	< 1 (<1%)	< 1 (<1%)
Water hyacinth (Tier II)*	162 (<1%)	314 (2%)	89 (<1%)	48 (<1%)

*Tier I is immediate Response, Tier II is maintenance, Tier III is Watch Status

Looking to the Future

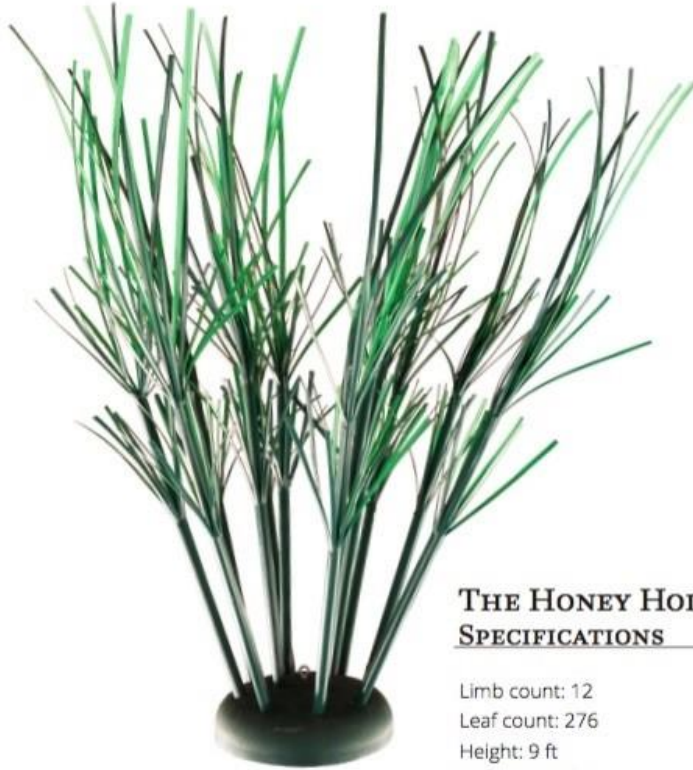

Post Harvey Flood Mitigation

- April 1 – May 1 Lake Conroe to be lowered by 1 ft
- August 1 through September 30, Lake Conroe to remain 2 ft below full pool

Pond King Honey Hole Grass

THE HONEY HOLE SPECIFICATIONS

Limb count: 12
 Leaf count: 276
 Height: 9 ft
 Diameter: 7 ft
 Surface Area: 115 ft²

BULK BUYS FOR LIVE SERIES

	MSRP
Grass on 20' Chain <i>(19) Grass Stems on 1/4" Chain Spaced 1' Apart</i>	\$149.00
The Honey Hole	\$249.00
Reed on 20' Chain <i>(19) Reed Stems on 1/4" Chain Spaced 1' Apart</i>	\$329.00

Pricing does not include freight/shipping.

Stem Attached to Chain

1 Unit of Honey Hole Grass on Chain Ready for Shipping

	MSRP	PALLET QUANTITIES
(30) Grass on 20' Chain	\$4,470.00	
(10) Honey Hole & (15) Grass on Chain	\$4,725.00	
(15) Reed on 20' Chain	\$4,935.00	
(20) The Honey Hole	\$4,980.00	

Pricing does not include freight/shipping.
